88th Annual Conference of IMS – an International Meet
Birla Institute of Technology Mesra, Ranchi, India
December 27 – 30, 2022

Call for Paper Presentation

Last date of the submission of papers is **November 20, 2022**

The Indian Mathematical Society invites contributions for Paper Presentation for the 88th Annual Conference of the IMS - an International Meet. Interested researchers should send (electronically **only**) the Abstract (in pdf and LaTeX file) of the paper to the Academic Secretary, Prof G. P. Raja Sekhar (e-mail: acadsecrims@gmail.com) so as to reach not later than **November 20, 2022**. Contributions received after the due date may not be considered.

Note: All contributors should be members of the IMS or should become members (this can be done online – please visit the website of the IMS).

Full Length papers are not required to be submitted. However, the presenters may be asked to provide the same to the Chairperson / Convener if required. The Abstract should be brief and should not exceed 250 words. The use of formulae and symbols should be kept minimum. Please note that a *LaTeX template* is provided for submitting the abstract and you are requested to strictly use this.

IMS Subject Classifications

- (A) Combinatorics, Graph Theory, Logic, Discrete Mathematics, etc.
- (B) Algebra, Number Theory, Lattice Theory and History of Mathematics
- (C) Real and Complex Analysis (including Special Functions, Summability and Transforms, etc.) and Teaching of Mathematics
- (D) Functional Analysis, Measure Theory, Probability Theory and Stochastic Processes, and Information Theory
- (E) Differential / Integral / and Functional Equations
- (F) Geometry and Topology
- (G) Numerical Analysis, Approximation Theory and Computer Science
- (H) Solid Mechanics, Fluid Mechanics, Astrophysics and Relativity, and related areas
- (I) Mathematical Modelling, Bio-Mathematics, Operations Research, etc.
